University: Graphic Era Deemed to be University

Dear Intern,

We are pleased to offer you the 10-week **AI-Assisted Full Stack Web Development Internship** at the **Technology Business Incubator - Graphic Era University (TBI-GEU)**, Dehradun, effective **1st June through 8th August 2026**, we eagerly anticipate your contributions.

Expected Outcomes Includes:

- A responsive, component-based frontend with React.js/Next.js and Tailwind CSS.
- Functional RESTful APIs utilizing Node.js (Express) or Python (FastAPI).
- Intelligent application features powered by integrating AI APIs (OpenAI, Gemini).
- An efficient, managed database schema.
- Secure user authentication and protected routes implemented in webapp.
- A fully deployed, publicly accessible web application serving as a portfolio centerpiece.

Terms and Conditions:

- Commitment: ~25 hours/week.
- Confidentiality & Originality: Maintain strict confidentiality for all the information, data, content shared with you. Work must be original; AI usage must be formally disclosed.
- SOP Compliance: By accepting this offer, you agree to adhere strictly to the TBI-GEU Standard Operating Procedures (SOP).
- Misconduct & Termination: Any breach of the SOP, academic integrity, or TBI-GEU code of conduct will result in immediate termination of the internship.
- Evaluation & Extension: Performance is evaluated periodically via LMS; satisfactory results may yield an extension up to 12 weeks.

Perks & Benefits: Upon successful completion, you will receive an Internship Completion Certificate, LOR to top performers, mentorship, and a portfolio-ready capstone project showcasing your hands-on GenAI experience.
